Subject/Training Students

Greetings

We would like to inform you that our company has trained a number of students of the College of Archeology, whose names are attached, for the period from 23-27 / July/ 2023. The training included marketing, promotion, tourism guidance for heritage areas, and sustainable development methods in the ancient city of Mosul as well as crafts. The above training will contribute in providing job opportunities in the private sector for the trainees, in addition to stimulating tourism in the city of Mosul through employing graduates from College of Archeology in those sectors, and thus the desired benefit will prevail in the prosperity of the tourism and archeology sector.
