-  The training session was very good. There was no shortage of anything, in addition to the excellent accommodation provided by Koç University. ...I hope that the training course period will be longer, meaning 20 days or 30 days at least. So we can get to know everything that is going on at the university. So that he can complete his master's and postgraduate studies at Koç University in the future through... Learn about the advantages of the university and its professors. Thank you for everything. It was a valuable opportunity to be one of the students participating in the course, and I look forward to being a representative of my university in future courses. I repeat my thanks to you.

-  I think it was very good for me. The experiences that were in the program were good and I benefited from them I think the only obstacle was the difference in thinking, of course, that they are experts and excellent people in this field I hope to have another experience with them.
