

Upland Archaeology Workshop: 23 and 24 February 2023

Aula Prodi - Piazza San Giovanni in Monte 2, Bologna

The **UPLAND ARCHAEOLOGY WORKSHOP** will gather at the University of Bologna (DiSci) outstanding researchers who are currently carrying out relevant project related to the occupation, colonization and exploitation of mountain regions in pre-historic and historical periods.

Invited speakers will focus on the new theoretical issues and methodological advances that can expand our perspectives on mountain landscapes and enlarge the existing archaeological and paleoenvironmental data from upland sites.
