

Introduction

Myanmar IT Solution is pleased to submit this proposal to the Yezin Agricultural University for the redesign of www.yau.edu.mm website. We welcome the opportunity to work with YAU on this exciting project.

It is our understanding that YAU seeks to update the design and structure of its site to improve the organization and presentation of the content provided so that visitors can quickly navigate to desired pages and to eliminate the current confusion regarding some old information. Myanmar IT Solution believes we are highly qualified to assist and guide YAU through a comprehensive website overhaul.

Myanmar IT Solution combines strategic thinking and emerging technologies to provide innovative solutions that consistently break new ground. Myanmar IT Solution develops long-term relationships with our clients. We deliver high-quality work through our focus on bidirectional communication, responsive customer service, client education, accurate project management, product quality, and an ethical approach to business. Our Proposal includes information about our website upgrade plan and quotation.

Plan of the website update

Website CMS Upgrade and Web Security

- Backup existing Website and Database
- Website and Database Migration
- Responsive Themes and Templates Design
- Custom Interface including layout, colors, fonts
- Create Reusable Block for Tables and Images
- Content Management System (CMS) integration
- SSL Support (HTTPS)
- DDoS Protection (Software Layer)
- Intelligent Firewall (Software Layer)
