YANGON UNIVERSITY OF ECONOMICS

MESSAGE FROM RECTOR

The Yangon University of Economics (YUEco) founded in 1964 has a unique position in Myanmar as it is the Institute of higher learning for training professionals in the field of business, economics, statistics, and social sciences.

YUEco offers a range of undergraduate, postgraduate, and research programmes including 9 bachelor degrees, 9 master degrees, 6 post graduate diploma degrees, and 3 doctoral degrees and has nurtured more than 60,000 graduates since its establishment. Our graduates have been very high appreciated in mid-and high managerial positions in government organizations, business organizations, and non-profit organizations.

Our programmes aims to produce managers, leaders, and development agents who will be able to create better future for Myanmar society. In order to do so, our programmes are designed to meet international academic standard as well as to cope with changing environment and needs in Myanmar.

In an area of globalization, and information society, we endeavors to collaborate with global, regional, national, and local partners. We are also working together with our alumni, parents, and students for further development of our university.

We look forward to working with you.

MESSAGE FROM PRO-RECTOR

Welcome to Yangon University of Economics. It is highly dynamic, students-focused, mid-sized University of national distination, with over 6,000 undergraduate and graduate students, offering interactive classes, high quality academic programs, impressive academic facilities, and a very dedicated, well-qualified faculty who truly care for our students with student-centered learning approach.

YUEco offers more than 30 undergraduate and graduate programs aiming to contribute to students' success throughout their career life. Our students graduate ready for their careers and for advanced study as well. In YUEco, there are many scholarship and student exchange programmes jointly conducted by local and international universities and organizations.

I invited you to learn more about this very special University, located on a beautiful campus and nearly 1,400 resident students live in residence halls located in university campuses in Kamayut, Hlaing and Ywa Thar Gyi.

Prof. Dr. Tin Win
Rector

Prof. Dr. Nilar Myint Htoo
Pro Rector

PROFILE OF YANGON UNIVERSITY OF ECONOMICS

The Yangon University of Economics is a State University which is under the Department of Higher Education (Yangon Region, Myanmar), Ministry of Education. The University was established as a professional institute to train economist, statisticians, accountants, and management personnel, and to do research on economics, business and statistical issues related to the Myanmar Economy.

The University is organized with the Rector, Pro-Rectors and Heads of Departments forming the Administrative Board and Academic Board . There are at present a total of 420 full-time staffs in the University, out of which 230 are engaged in teaching and research. The rest are administrative and support personnel.

The University has three Campuses : Kamayut Campus, Hlaing Campus, and Ywa Thar Gyi Campus. The Kamayut Campus, the Original Campus, located on the shores of Inya Lake at the corner of Inya Road and Pyay Road. The Hlaing Campus is situated about one mile from the Kamayut Campus. The Ywa Thar Gyi Campus, the new campus was established in 2000, is located 13 miles away from Kamayut Campus.

The undergraduate courses are being offered in Ywa Thar Gyi Campus and Master courses and PhD courses are being conducted in Kamayut campus. In Hlaing Campus, YEco has been offering the courses under the Human Resource Development (HRD) programme and has established Myanmar-India Entrepreneurship Development Center since 2009. Also in 2013, Center of Excellence for Business Skills Development has been established in Hlaing campus in cooperation with the United Nations Educational, Scientific and Cultural Organization (UNESCO) and PepsiCo.

VISION

To create the intellectually and morally developed human resource that can effectively utilize in development of national economy

MISSION

- ❖ To be an internationally recognized institution
- ❖ To provide the educational services that can assure the quality of our students to the modern economic environment
- ❖ To enhance the development and welfare of faculty members
- ❖ To build up the required competence and skills needed in research that can be applied in the business community and public sector
- ❖ To fulfill the interests of stakeholders and the society
