Dear Marta,

Greetings from Yangon University of Economics!

Our Pro-Rector, Dr. Ni Lar Myint Htoo had already send the feasible plan of our university yesterday.

I agree the feasible plan sumitted from our university team for CHINLONE, and director of IRO. After getting autonomy we may change this plan like organization structure of IRO.

I am glad to know good news of the acceptance for our CHINLONE project Extension to April 2021. We really appreciate your continuous support.

I would like to express my deep gratitude to each and every one of CHINLONE TEAM and TOOLKIT.

Dr. Tin Win
