- I really think Fiona Hunter was an asset for introducing the topic of International Relations Strategies. [a: 1, b: 1, c: 1, d: 1]
- My special thanks goes to Fiona as I come to to know how to start an IR office and what it is for. [a: 2, b: 2, c: 2, d: 1]

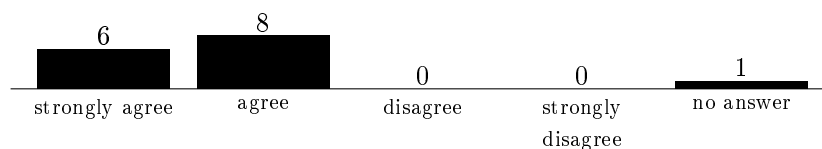

- Fiona is a very good trainer and I've learned a lot from her . [a: 2, b: 2, c: 2, d: 1]
- As a member of student group, the feed-back from Aurora is clear. That's why, we know how to conduct the pilot survey and after that we realize the how to analyse the data. Moreover, we got many knowledge concerning European commission from respected DG. It was very impressive for us. Thank you for your arrangement. [a: 1, b: 1, c: 1, d: 1]
- All presenters and authorities from EU Comission chosen by Chin Lone Project for us were very right talents and speakers who can view overall of Myanmar Universities and Myanmar education and economy as well. I got much knowledge and valuable information gained from all of them meanwhile attending in Brussels Conference. Even though Internationalization was somehow familiar to us we thought before, Prof. Fiona Hunter pointed out new concepts and ideas of it. Also she enlarged my understanding on it and also provided some new application and usage concerning internationalization at my department and our universities based on our current situation. Thanked her ver much for sharing and guiding new vision and mission of us! [a: 1, b: 1, c: 1, d: 1]
- It was very knowledgeable for us to have such trainings and I am so thankful to acquire knowledge on internationalization. [a: 2, b: 2, c: 2, d: 1]
- The training was very productive and applicable for upgrading the post-grad programme under our University. [a: 1, b: 1, c: 1, d: 1]
- Regarding to the Internationalization, we Myanmar have a few experience about it due to the beginning stage . So we can learn more knowledge and experience from that training. [a: 2, b: 1, c: 1, d: 1]
- I believe almost all we mightve learned will be useful and applicable in our context. [a: no answer, b: no answer, c: no answer, d: no answer]

4. Results (*1 = strongly agree, 4 = strongly disagree*)

a. It is clear to me how my university will select staff for the mobility period at the EU partners. (*Medel = 1,6, SD = 0,8*)

b. It is clear to me how to work with WP4 (internationalization) in the near future. (*Medel = 1,6, SD = 0,6*)

ADDITIONAL COMMENTS/QUESTIONS

- I need more information about organizing the International relations office and about the internationalization for WP4 . [a: 2, b: 2]
- There are some facts that I need to know more clearly. [a: 2, b: 2]
- We have already realize how to select the staff of YUE for the mobile period. We've discussed with our Rector for the selection process. [a: 1, b: 1]

- As for me, day after day, activities and work assignment of our project of Chin Lone are more and more excited as well as motivated for all members from Myanmar Universities! Even though WP4 will be more challenging and attractive at the same time for YUE surely because those assignment for internationalization would be applied effectively in our routine work what we have to perform in any universities now! [a: 1, b: 1]
 - I came to know clearly how to set up the International relation office and how to recruit the staff. [a: 1, b: 1]
 - We believe we can do effectively and efficiently about internationalization at respective University . [a: 1, b: 1]
 - If I had the opportunity to attend this meeting, itd be beneficial for my university as I could share my knowledge to my colleagues and to apply for the development of my university. [a: no answer, b: no answer]
5. Did this CHINLONE meeting contribute to your university 's development? If so, how? What lessons did you learn? (*Antal obesvarade = 4*)
- As a EU partner, I really think that the debate around international relations was not only usefull to Myanmar partners, but also to EU partners. In fact, the tools presented will be really usefull to me in my daily work at UNIBO as International Relation Officer. Moreover, this WP2 conference really help to strenthening the EU-MM relations discussing possible new cooperation agreements. I also really appreciated the presence of University of Cologne and Ghent with whom we can organize future joint events in MM.
 - Yes, it did . We are now doing the pilot process for students' evaluation and it is successful for the first step and we come to know what students need and how we can help them in the future.
 - Yes, it contributes a lot to my university as I 've learned a lot about Quality assurance and now we follow the students' evaluation process and hope to implement the proper IR office very soon.
 - CHINLONE meeting contributes to my university's development because our participants had learned a lot from your universities when we visited there. In these visiting periods, we could learn how host university do research, teaching and learning style. So, we will take these opportunities to apply these knowledge to our universities development.
 - Yes, CHINLONE meeting effectively and efficiently contributes us for YUE because almost of work and assignments done with Chin Lone project were already being implemented in our universities actually. But we had some limits and obstracles in implementing because we did not exactly how to perform conceptually and systematically and legally even. At that time I gained a lot of effective ways and methods to slove the problems and constraints we had faced and not overcome before by attending this CHINLONE Project in last year as a member of Yangon University of Economics! As for me, my personal conclusion is that the shared experience and knowledge gained from this project was invaluable for my social and academic life and I was more motivated than ever before and got self confidence in work life with both my superiors and subordinates ! Thank you CHINLONE! 😍
 - Yes, the meeting was very beneficial for us. Now, we are able to conduct teacher evaluation survey to students. Also, it become easier for us to cooperate with international universities as we have learned how to establish strong and harmonious relations with foreign institutions. We have enhance our existing International relations organization to be more systematic based on what we have learned at CHINLONE. We are also very grateful to know more about the European Commission and I now have a very

clear understanding of how the European Union, European Commission and European Council work.

- Of course, this CHINLONE meeting definitely contributed to our university's development. The experiences of EU partners' universities provided many information and knowledge about the quality assurance and rationale of internationalization of University. Thus the meeting in Brussels is very fruitful for us.
- Yes. We can use the assessment method for student and staff evaluation in our University. We can find out the opportunities and challenges from difference Universities in Myanmar. We can learn and share these valuable results among them.
- I hope it will.
- I learnt about internationalization and Fiona lecture encourage me how to uplift the internationalization in our university.
- This meeting contributes to the thinking, planning ,and developing the internationalization Strategy of our university. We could gain the experience of the organizational structures and the implementation of the European universities' International Relations Offices.

6. Other comments? (*Antal obesvarade = 8*)

- We also hope to be helped by the CHINLONE partners in Internationalization process and we are ready to organize the international relations office in proper way. Thank you all.
- Thank you all partners and CHINLONE project for sharing your knowledge .
- The CHINLONE project is very impressive for Myanmar partners universities and we would like to learn more about other European universities. Thank you for European commission's generous.
- YUE are trying best to present about Teachers Evaluation by students at the Master Programmes of YUE at next conference of chinlone project in July in Myannar!
- If possibly, I like to request your favor to arrange more workshops in other EU partner university in order to learn the different experiences.
- I' d like to express my sincere gratitude to leaders, coordinators and EU commission for this kindly support to all of us.
- I had lots of knowledge from feedback and group discussion.
