

# Parma Digital Papyrology Workshop 2022

**Applications for the training workshop in Digital Greek Papyrology** - that will be held **from the 23rd to 27th of May 2022** at the University of Parma, Laboratorio informatico - **are now open.**

The workshop will be held in English and will focus on Digital Papyrology (Leiden+, Papyrological Editor) and Linguistic Annotation of Greek papyri. Basic knowledge of ancient Greek and of the conventions of papyrological critical editions is required, but no previous digital skills are needed, as the workshop will cover all the basis of Digital Papyrology.

Participants of all levels are welcome to the Workshop: BA, MA and PhD students, scholars, professors, and professionals may all apply. All participants will receive a participation certificate.

**Please note that all participants will be required to bring their own laptop.**

On **May 23rd** there will be an open Conference, both in presence and online, to which all applicants and selected participants are welcome and automatically registered: please specify if you would like to participate in person when sending your application. The Conference programme and the participating Lecturers can be found on the Encode website: <https://site.unibo.it/encode/en/agenda/digital-critical-editions-and-greek-literary-manuscripts-23-may-2022-9-30am-12pm-2-30-5-30pm-cet/>

On **May 24th - 27th** there will be a workshop restricted to a max of 20 participants. The workshop is organised by Massimo Magnani, Nicola Reggiani and Marta Legnini (University of Parma) and will see the participation of Nicola Reggiani (University of Parma), Giuditta Mirizio (Universität Heidelberg), Marta Fogagnolo (DiSCI, Alma Mater Studiorum Università di Bologna) and Marja Vierros (University of Helsinki) as trainers, and of Federico Aurora (Universitetet I Oslo) and Holger Essler (University of Würzburg - Università di Venezia) as Guest Lecturers. The Workshop's full programme may be found on the Encode website: <https://site.unibo.it/encode/en/agenda/encode-digital-papyrology-workshop-parma-24-27-may-2022>

**To participate to the workshop, apply before Monday, May 6th** send the following documents to Marta Legnini ([marta.legnini@unipr.it](mailto:marta.legnini@unipr.it)):
