

## Digital Greek and Latin Epigraphy Workshop 2021

We encourage applications for the training workshop in Digital Greek and Latin Epigraphy and Papyrology that will be held from **January 26th-29th, 2021** at **Department of History and Cultures (DiSCi)** of **Alma Mater Studiorum Università di Bologna** and **online platform**.

On **January 25th** there will be a general **conference** to which all applicants and selected participants to the workshop are invited and registered. Guest Speakers at the conference and focus groups: Gabriel Bodard, John Bodel, Silvia Orlandi, and Monica Berti. From **January 26th-29th** there will be a **workshop** restricted to a max of 25 participants.

The workshop is organised and run by Silvia Orlandi (Sapienza Università di Roma; President of AIEGL) and Alice Bencivenni (DiSCi, Alma Mater Università di Bologna) and includes the participation as trainers of Daniela Rigato, Manuela Mongardi, Irene Vagionakis (DiSCi, Alma Mater Studiorum Università di Bologna), Marta Fogagnolo (Universität zu Köln), Giuditta Mirizio (Universität Heidelberg). Guest speakers at the workshop: Claudia Antonetti, Eloisa Paganoni, Luca Rigobianco (Università Ca' Foscari Venezia).

The workshop, which will be held in Italian and English, will focus on Greek and Latin Digital Epigraphy ([EDR-EAGLE](#), [EpiDoc](#), [EFES](#)) and on Digital Papyrology ([Leiden+](#), [Papyrological Editor](#)). No previous digital skills are required, but a necessary requirement is the knowledge of Latin and/or ancient Greek and of the principles and conventions of the epigraphic and papyrological critical editions. The workshop is open to participants of all levels: BA, MA and PhD students, scholars, professors, and professionals.

All participants will receive a participation certificate. Students of ENCODE universities should contact the local coordinators to include the workshop in their curricular activities and receive ECTS credits upon completion of agreed requirements.

To participate in the workshop, apply before **January 3rd, 2021** through the Encode website (<https://site.unibo.it/encode/en/agenda/epidoc-workshop>) including:

- name, surname, qualification, affiliation (if any)
- brief description of your interest in participating
- CV with previous experiences in studying ancient languages, epigraphy, papyrology, digital humanities.

Selected participants will be informed by January 10th.

For more information do not hesitate to contact Alice Bencivenni ([alice.bencivenni2@unibo.it](mailto:alice.bencivenni2@unibo.it)).
