# **BEYOND THE REGULATORY STATE: EUROPE'S QUEST TO TRANSFORM ITSELF FOR THE GEOPOLITICAL AGE**

**Donato Di Carlo (London School of Economics and Political  
Science)**

Donato Di Carlo, scholar of European political economy and state transformations in the European Union, will deliver the second lecture of the EUFutures series “EU Growth Under Stress.”

The public lecture series aims to explore critical junctures, crises, and socio-political dynamics that have shaped the evolution of the EU's growth model and its institutional and political foundations.
