Forlì

17 ——— 19.05.24

Co-founded and
supported by

European Parliament

Organised by:

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA
CAMPUS DI FORLÌ

Centro di
Documentazione Europea
Punto Europa Forlì

What is it?

What is it?

The **European Youth Event** in Forlì is the national version of the large free event that the European Parliament organises in Strasbourg, calling together over **10,000 young people** from all over Europe to discuss the future of the continent.

What is it?

Participants will be able to **meet other young people**, inspire each other and **exchange ideas** with experts, activists and decision-makers on the future of Europe, to become **active citizens and get involved** in the activities of the European Parliament.

For the **2024 European elections**, the European Parliament is funding the organisation of four local EYEs:

Berlino
(Germany)

Vilnius
(Lithuania)

Brezice
(Slovenia)

Forlì

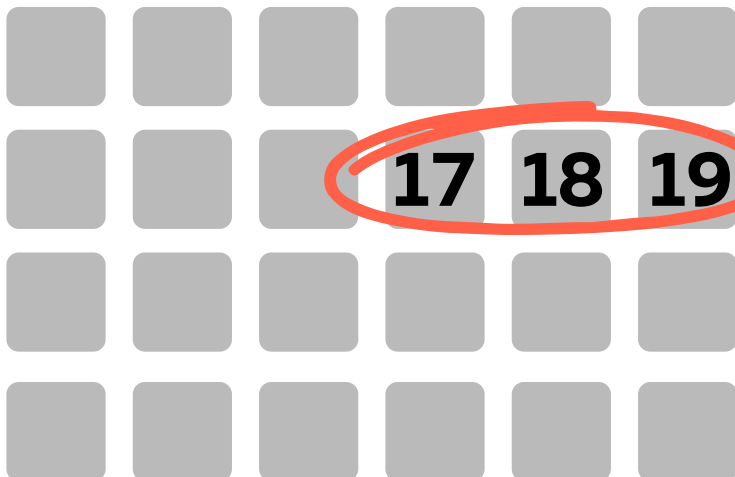

When?

17—19 May 2024

- More than 50 activities (stands, debates, workshops, presentations, games and workshops);
- Three evenings of events and shows;
- Many side activities around the city (guided tours, sports tournaments, art installations).

May 2024

Organised by

Punto Europa Forlì

Jean Monnet **Centre of Excellence for European Studies** and Documentation Centre of the European Commission.

Punto Europa conceives and manages **European projects** on behalf of the **University of Bologna**. For over 20 years, it has been organising **trainings for the general public**, in schools and for teachers on European issues.

The participants

Over **4,000 young people** from all over Italy and Europe, aged between **16-30 years**.

How to pre-register

You have until **March** to pre-register **individually** or with your **group** (e.g. association, school, informal group).

Pre-registration will grant you the opportunity to **reserve a place** for EYE Forlì.

As of March, the **full programme of activities** will be available. From then on, you will be able to choose which ones to attend during the event, from **17 to 19 May**.

Easy, isn't it?
