# ERASMUS + EDU-2024-CBHE HEMUA

Higher Education Modernization to  
boost Uzbekistan Agricultural system  
and promote excellence and regional  
development

# Objectives

1

Increase attractiveness of the courses offered by the Uzbek universities in agricultural topics improving the complementary teaching.

2

Increase the level of English of the students and professors.

3

Introduce a quality assurance system in the Uzbek teaching.

4

Improve the soft skill of the students to make them suitable to the new job challenges.

5

Improve the quality of teaching by improving connection between University and research.

# Activities

## Adaptation of study programs to the current challenges of agriculture

Identification of courses at the Uzbek HE institutions to be modified, revision of the selected courses also considering the student needs, definition of the syllabus of the modified courses and their implementation at the Uzbek Universities.

## Improving the soft skills and tools of Uzbek students and professors

Organization of dedicated seminars and traineeship in private companies. Creation of a repository for blended teaching.

## Contacts with the Uzbek labor market to increase graduate students employability

Evaluation of the need of the labor market, identification of new professionals for the agricultural sector and organization of career days at the Uzbek Universities.

## Communication and dissemination activities
