

July 2013

We are pleased to announce that the new Hortis web site is online!

<http://www.hortis-europe.net/en>

Hortis is a project funded with the support of the Lifelong Learning Programme of the European Union, and it is focused on urban and community gardening as a tool for promoting social inclusion and lifelong learning. Hortis also encourages exchange of information and expertise between different European countries.

On the Hortis web site you will find many tools on urban & community gardens: text materials, video community, video tutorials, information on community horticulture courses and much more.

The countries partner in the project are: Italy, Spain, Germany and Hungary.
