

“Call for Startup 2023-2024” rankings

In line with the provisions of the call for proposals in section 2.3 "Evaluation criteria and Evaluation Committees", some projects have been assigned to a different sub-category than the application category for reasons of thematic consistency. **Look for your Emerging Idea under the other subcategories as well!**

In case your project is **SUITABLE BUT NOT SELECTED**, if a selected project pertaining to your same sub-category drops out, you may be contacted to replace it.
