

Neuroscience Laboratory (Day 2 – July 9, 2024)

For this laboratory, the **MRtrix3 software** must be installed in advance.

Installation details for Windows, Linux and MacOS are explained on this web page:

<https://www.mrtrix.org/download/>

If you encounter any problems during installation, please contact mattia.ricchi@phd.unipi.it and carlo.golini2@unibo.it.
