HORTUS SPINOZANUM

PHILOSOPHY IN A TIME OF CRISIS

Blended Intensive Programme (BIP)

13th May - 21st June, 2024

Blended Intensive Programmes (BIPs) are a new format of **Erasmus+ mobility**.

The BIP programme is a unique educational experience. Participants in the programme will spend four weeks in Bologna with international students from universities in the Hortus Spinozanum network. The combination of online sessions with a monthly trip for face-to-face teaching offers an excellent opportunity for students to broaden their understanding of Spinoza's thought, sources, and reception and provides a chance to meet colleagues and scholars in a thriving international context.

Partner universities:

Université Paris 1 Panthéon-Sorbonne, Rijksuniversiteit Groningen, Université libre de Bruxelles, Galatasaray Üniversitesi, Aristotle University of Thessaloniki, Europa-Universität Viadrina, École Normale Supérieure de Lyon, Université de Reims, National and Kapodistrian University of Athens, Johann Wolfgang Goethe Universität
