Services and Nature-based Solutions

International Summer School

Nature-based solutions for hydro-meteo hazards and climate change adaptation

Lido di Volano (FE)

The programme

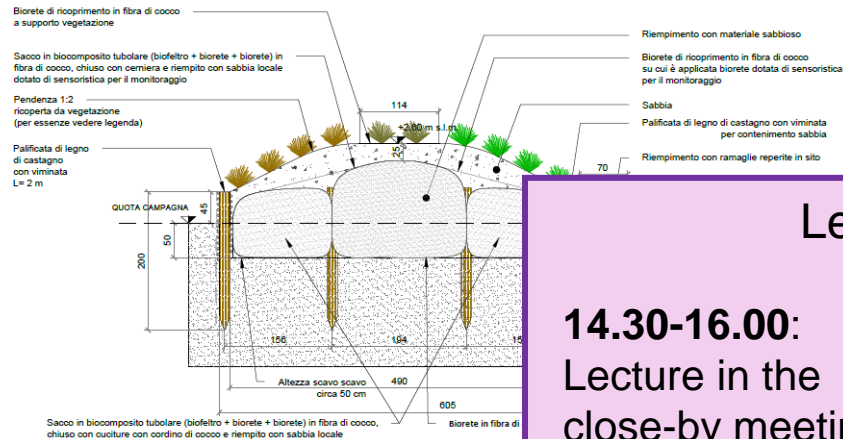

Gathering point and time

8.45: Gathering at the main entrance of the department, Via Irnerio 46, 40126, Bologna, Italy

Showcasing of the dune

10.30-12.00: showcase the sand dune with a visit to the implementation site and a talk-through by Fabrizio Tavaroli and Francesco Barbano

Lunch at Bettolino di Foce

12.00: gathering at the bus stop and departure for lunch

12.30-14.30: Lunch

Lecture of the School

14.30-16.00: Lecture in the close-by meeting room

17.00: Return to Bologna

Logistics

Our reference point at the dune will be **Via Spiaggia 14, Lido di Volano (FE), Italy** (red mark) where the bus will bring us

We will then march on the beach to reach the dune

We will stay out all day: wear comfortable clothes and shoes, the field trip requires an informal dress code!
