

**Toolkit IRO training days
28 September – 01 October**

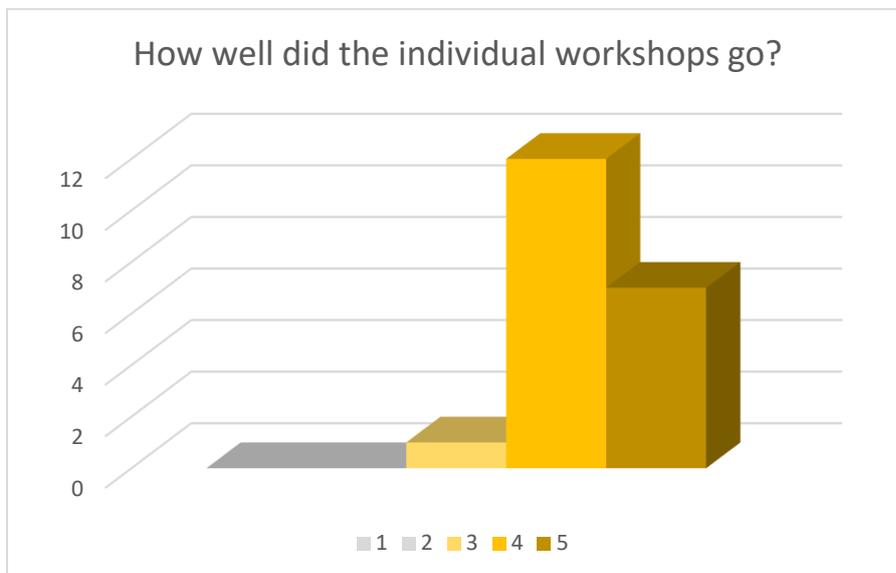

- 12 participants out of 20 found the presentations very useful.

- Most participants was able to follow the presentations although they were in English. Only 2 people found some difficulties.

- 8 participants encountered no issues in following the presentations given their internet connection. However, the other half of participants experienced some issues.

- Most of the participants did well with individual workshop but not excellent. Still, 6 participants were fully satisfied with individual workshops.

Additional comments

Thank you very much Marta, and all presenters and all participants from different universities.

Thank you a lot, well organized.

Thank you very much Lucia, thanks to both of your well organization.

Thanks to Marta and the team for organized such a wonderful workshop.

Thanks Marta, Lucia & all team members for great experience we shared in this fruitful workshop.

It is a great training. I love it. My first time to participate in virtual training.

Thank you Marta for organizing the event. All participants from University of Kelaniya benefited a lot.

Thank you very much Marta, Lucia, all presenters, and members!

Thank you for organizing this workshop, Marta, Lucia and toolkit partners. Stay safe.

Thanks. It has been a pleasure working with you. This has been a great experience, thanks for organizing this workshop. See you soon.

Thanks Marta and Lucia. Nice to meet all from different countries.

The online training helped a wider group participation.
