

Una Europa PhD Workshop

ALMA MATER STUDIORUM
UNIVERSITÀ DI BOLOGNA

Museums and the new challenges: virtual technologies, societal responsibility and environmental sustainability

5 -10 May 2025

University of Bologna

The Una Europa PhD Workshop is a unique, transdisciplinary event designed to explore how museums are addressing the evolving challenges of the modern world. Open to doctoral researchers from Una Europa partner universities, this workshop offers an exceptional opportunity to collaborate with experts and peers from diverse academic fields. Through interactive seminars, hands-on activities, and dynamic discussions, participants will deepen their understanding of critical issues in cultural heritage management and contribute to developing innovative solutions for the future of museums.

Application deadline:
8 February 2025

What does the workshop offer?

- Hands-on experience
- Networking opportunities
- Academic approach
- ECTS credits
