Professor Hugo Frey is a cultural and political historian whose research work focuses on twentieth century France and Francophone Europe with special emphasis on the politics of visual culture. He has published over 40 substantial outputs in this field including *Louis Malle* (Manchester University Press 2004); *Nationalism and the Cinema in France* (Berghahn Books 2014) and *The Graphic Novel: An Introduction* [co-author] (Cambridge University Press, 2015)

Nancy Pedri is Professor of English at Memorial University of Newfoundland and Labrador, where she has taught since 2006. She is an award-winning author and has published extensively in the fields of comics studies and word and image studies, including photography in literature. Her latest monographs on comics, *Experiencing Visual Storyworlds: Focalization in Comics* with S. Horstkotte (Ohio State UP) and *A Concise Dictionary of Comics* (UP of Mississippi) were published in 2022.
